### W.P.W.P.C.A. TRAINING NOTICE

**TOPIC: ACTIVATED SLUDGE REFRESHER COURSE ( Course ID# 3884 )**

This was developed as a preparatory course for the activated sludge certification exam as well as a refresher for certified operators. Operators will be engaged in active classroom discussion as well as small group exercises. Operators will be provided, in advance of the training dates, with vocabulary and other training material. Successful students will familiarize themselves with this material before the classroom training. The training provides an opportunity to prepare for the activated sludge licensing exam. Training includes exam taking skills and practice, math drills, concept reinforcement, confidence building, homework, and a supportive learning environment. *An average of 80+% of previous students have gone on to pass the Activated Sludge certification exam after taking this course!*
